

CancerWise®

An Insurance Coverage Overview

- The cost of cancer in 2008 was \$201.5 billion and 31% of the cost was for expenses related to medical costs.†
- The survival rate for all cancers is 68%.††

FOCUS ON YOUR RECOVERY

In the U.S., one in two men and one in three women will develop or be diagnosed with cancer in their lifetime.^{†††} Thanks to advances in treatment, many people recover, but while they do, lives and jobs are often put on hold, adding financial strain to an already stressful time.

The CancerWise Plan, underwritten by The Chesapeake Life Insurance Company®, and brought to you by MetLife, is an insurance policy specifically designed to pay you cash in the event of a first diagnosis of cancer. This supplemental coverage can help cover the cost of everyday living expenses, alternative treatment options, out-of-pocket medical expenses, or whatever you desire. It's your money – you decide how to spend it.

THE CANCERWISE PLAN AT A GLANCE:

- Coverage starts from less than \$1 per day.^{††††}
- Pays you or your loved-ones a one-time lump-sum cash benefit of up to \$50,000, pays \$500 if first diagnosed during the 30-day waiting period.
- Coverage available for the whole family – you, your spouse and your kids.
- You choose how your benefit is used – to assist with medical costs, reduce debts such as your mortgage or even to take a recuperative vacation.
