Simplified Issue Convertible Term Life Insurance

Designed to provide comfort for your family.

Your family means the world to you. You want to be sure their financial future is protected in the event of your death, serious accident or critical illness. A SureBridge Simplified Issue Convertible Term Life Insurance Policy may be the right option for you.

“Simplified Issue” means that no medical exam or blood samples are required. You simply answer a few yes/no questions about your medical history, which are reviewed in our underwriting process. And you don’t have to wait long for coverage — policies are typically issued for qualified applicants within 1–2 days. It’s a surprisingly simple, convenient way to get the life insurance protection your family may need.

The Critical Condition Accelerated Living Benefit Rider* offers an added advantage. It allows your beneficiaries to receive up to 100% of the policy death benefit upon first diagnosis of one of the many covered conditions. That money can be used to pay for treatment, family travel, or any other need your family may encounter. Which can provide your family with even more protection — and offer you extra peace of mind.
