Terms and provisions

OUT-OF-NETWORK SERVICES

If you use a doctor or hospital that is not part of your network, you will not receive network discounts and you may incur additional expenses. For instance, doctor office copays are not accepted by providers who are not part of your network, and the services will be handled as any other out-of-network service, subject to the maximum allowable amount.

MAXIMUM ALLOWABLE AMOUNT

The maximum allowable amount is the most your plan pays for covered services. If you use an out-of-network provider, you are responsible for any balance in excess of the maximum allowable amount.

EMERGENCY CARE BENEFIT

In emergency situations, covered charges will be handled as in-network services, no matter where services are performed. All charges are subject to the maximum allowable amount.

RECEIVING ANCILLARY SERVICES

As long as you use hospitals and admitting physicians that are part of your network, your covered charges will be handled as in-network services even when affiliated physicians and other health care providers (e.g., radiologists, anesthesiologists, pathologists or surgeons) are not part of your network. All charges are subject to the maximum allowable amount.

MEDICALLY NECESSARY CARE

To be covered, treatment, services and supplies must be medically necessary.

UTILIZATION REVIEW

Authorization is required before receiving certain types of inpatient and outpatient treatment. Failure to authorize services for transplants and specialty pharmacy will result in a reduction or exclusion of coverage.

TRANSPLANTS

Benefits for kidney, cornea and skin transplants are the same as for any other illness. Benefits for other covered transplants (e.g., heart, bone marrow, liver) have no special limits when using in-network providers. If services are performed at an out-of-network transplant provider there is a $100,000 per organ maximum.

RENEWABILITY

Coverage is renewable provided there is compliance with the plan provisions, including dependent eligibility requirements; there has been no discontinuation of the plan or Assurant Health's business operations in this state; and/or you have not moved to a state where this plan is not offered. Assurant Health has the right to change premium rates upon providing appropriate notice.
