

Accident Companion

An Insurance Coverage Overview

ACCIDENTS HAPPEN WHEN WE LEAST EXPECT THEM – MAKE SURE YOUR FAMILY* IS COVERED

Accidents never happen when it's convenient, and out-of-pocket expenses can add up quickly. Accident Companion insurance, issued by The Chesapeake Life Insurance Company® and brought to you by MetLife, can help cover you, your spouse/domestic partner and your dependent children—and help protect your savings—from the strain of unexpected injuries.

Accident Companion is a limited benefit policy that can cover the individual, his/her spouse/domestic partner and dependent children. It pays you a lump sum benefit¹ that you can use to help cover accident-related expenses like hospital confinement, emergency treatments, major diagnostic exams, deductibles and co-pays, lost wages, hotel and travel expenses, childcare and more. Accident insurance can help soften the impact of an accident on your finances.

ACCIDENT COMPANION OFFERS SIMPLE, STRAIGHTFORWARD COVERAGE THAT CAN:

- Pay you directly, shortly after making a qualified claim. Spend the money as you choose.
- Help protect your savings from the strain of unexpected costs.
- Offer flexibility to spend the money as you choose.

ACCIDENT COMPANION FEATURES:

- Benefits available on day one of coverage.
- Premiums that don't depend on your age.
- Elect to cover you, your spouse/domestic partner and dependent children regardless of medical history.²
- Flexible coverage; keep it as long as you need it, up to age 65.

STARTING YOUR COVERAGE

Once your application is approved and you have paid your initial premium, coverage will begin on the Policy date shown in the Policy schedule. Should you have any questions about the coverage features and benefits, please give us a call at **1-855-GO2JOIN (1-855-462-5646)** or visit the FAQ section of the enrollment website.

KEEPING YOUR COVERAGE

Your Policy is guaranteed renewable subject to our right to discontinue coverage as specified below.

Your Policy will remain in effect as long as you pay premiums, except:

- When we receive your request to terminate the Policy.
- In the case of any act of insurance fraud or material misrepresentation by you.
- In the event we discontinue this plan or type of coverage or all coverage in your state.
- If you are no longer a permanent resident of the United States.
- On the date the insured reaches age 65. If the insured spouse/domestic partner turns 65 before the primary insured, the spouse/domestic partner's Policy coverage ends. If primary insured turns 65 before the insured spouse/domestic partner, then spouse/domestic partner becomes primary insured and his/her coverage ends when he/she turns 65.
- Your eligible dependent's coverage will terminate under the policy on the last day of the month in which they reach age 26.

PREMIUM CHANGES

We have the right to change premiums due for the Policy. You will be notified in writing at least 45 days prior to the effective date of the new rates.

TERMS YOU NEED TO KNOW

Accidental Injury means sudden, non-recurrent, traumatic, accidental and unanticipated bodily injury (not of gradual onset) that requires immediate medical attention and not contributed to, directly or indirectly, by a sickness. The accidental injury must first occur after the insured person's coverage has become effective and while the coverage is in force under the Policy.

Eligible Dependent means your lawful spouse/domestic partner and your natural children, including children placed for adoption or legally adopted, step-children and any foster children who are under 26 years of age (the limiting age).

[continued >](#)

First Occur, First Occurred or First Occurrence means an accidental injury for which diagnosis, treatment, surgery or advice by a physician, or manifested symptoms, initially occurred while the Policy is in force for the insured person and for the first time in the insured person's lifetime.

Hospital means an institution operated pursuant to its license for the care and treatment of sick and injured persons for which a charge is made that the insured person is legally obligated to pay. The institution must:

- 1) Maintain on its premises organized facilities for medical, diagnostic and surgical care for sick and injured persons on an inpatient basis;
- 2) Maintain a staff of one or more duly licensed physicians; and
- 3) Provide 24 hour nursing care by or under the supervision of a registered graduate professional nurse (R.N.)

The term "Hospital" does not include:

- 1) A hospice unit, including any bed designated as a hospice or a swing bed; a convalescent home; a rest or nursing facility; an extended care facility; a skilled nursing facility or a facility primarily affording custodial or educational care; care or treatment for persons suffering from mental disease or disorders; care for the aged; or care for persons addicted to drugs or alcohol; and
- 2) Any military or veteran's hospital, soldier's home or any hospital contracted for or operated by the Federal Government or any agencies thereof for the treatment of members or former members of the Armed Forces, unless the insured person is legally required to pay for services in the absence of this insurance coverage.

WHAT WILL NOT BE COVERED

- Sickness, including but not limited to pregnancy and childbirth.
- Hospital confinement for childbirth, including routine or normal newborn child care.
- Care not medically necessary (except as specifically provided in the Policy) or benefits not specifically listed in the Policy.
- Accidental Injuries that do not first occur while the Policy is in force.
- Any act of war, declared or undeclared.
- Active military duty in the service of any country.
- Participation in a riot, civil commotion or insurrection.
- Suicide, attempted suicide, or any intentionally self-inflicted injury, while sane or insane.
- Mental or nervous disorders.
- Having cosmetic surgery or other elective procedures that are not medically necessary
- Operating any motorized passenger vehicle for wage, compensation or profit.
- Drug abuse or addiction including alcoholism, or overdose of drugs, narcotics, or hallucinogens, directly or indirectly.
- An overdose of drugs, hallucinogens, narcotics or other drugs, directly or indirectly.
- The use of alcohol that substantially contributes to, causes the loss or is over the legal limit.
- Directly or indirectly engaging in an illegal occupation or illegal activity as a voluntary participant or insured being incarcerated.
- Committing or trying to commit a felony as a voluntary participant.
- Mountaineering using ropes and/or other equipment, parachuting, hang gliding, racing any type of vehicle in an organized or unorganized event, sky diving, scuba diving below 130 feet, motorized racing, para-sailing, experimental aviation, ultra-light flying, base jumping, bungee jumping, heli-skiing, or heli-snowboarding.
- Travel in or descent from any vehicle or device for aerial navigation, except as a fare paying passenger in an aircraft operated by a commercial airline (except charter) certified by the U.S. Federal Aviation Administration (FAA), on a regularly scheduled passenger trip.

* Family consists of you, your spouse/domestic partner and dependent children.

¹ Benefits paid to you or your assignee.

² Coverage available for U.S. citizens.

³ Hospital confinement must begin within 30 days of the accidental injury. For definition of Hospital, see Terms You Need to Know.

⁴ Treatment must be received within 72 hours of initial onset of accidental injury.

⁵ When performed at a Hospital or Urgent Care Center and is related to the accidental injury.

⁶ Treatment or Therapy must follow Emergency Room or Urgent Care Center, and must be received within 30 days of initial onset of accidental injury.
