

PPO Dental

Coverage to help you keep a healthy smile

DID YOU KNOW?

Every **\$1** in
preventive oral care can
save **\$8-\$50**
in restorative and
emergency treatments.¹

Research shows that oral health and overall health are closely related. So when you keep your teeth healthy, you are also helping to keep your body healthy.

Our **PPO Dental** plan offers coverage options for **preventive/diagnostic, basic and major restorative services** through Careington's Maximum Care **network of 200,000 providers**.

Applying is simple and can be completed in minutes.

PPO Dental At A Glance

- 100% coverage on both plans for many preventive services like cleanings, X-rays and oral exams²

¹ Certain services include limitations. Benefits are reduced for non-network providers. See Policy for details. | Note: If an insured person opts to receive dental services or procedures that are not covered expenses under the Policy, a network provider dentist may charge his or her usual and customary rate for such services or procedures. Prior to providing an insured person dental services or procedures that are not covered expenses, the dentist should provide a treatment plan that includes each anticipated service or procedure to be provided and the estimated cost of each service or procedure. To fully understand the coverage provided under the Policy, you should read your Policy carefully.
