

Lump Sum Fixed Indemnity Coverage **Metal Gap Plan**

Cash benefits to help cover expenses ... left by your health insurance.

Cash benefits paid directly to you, not your doctor or hospital.

SureBridge insurance products provide an added layer of coverage designed to fill financial gaps left by your health plan coverage. They **help you manage out-of-pocket expenses such as deductibles, coinsurance and co-payments**. This type of coverage is especially important to those who may have health insurance plans with lower premiums but higher out-of-pocket expenses.

The Metal Gap plan comes in three benefit levels that help **complement the Bronze, Silver, and Gold Affordable Care Act (ACA) plans**.

Applying is simple and can be completed in minutes.

THIS POLICY PROVIDES LIMITED BENEFITS. This type of plan is a supplement to health insurance and is not considered "minimum essential coverage" under the Affordable Care Act and therefore a Lump Sum Fixed Indemnity Insurance Policy does not satisfy the individual mandate that you have health insurance coverage. If you do not have other health insurance coverage, you may be subject to a tax penalty.

Helps fill the gaps left by Bronze, Silver and Gold level ACA compliant health insurance plans
