

Dental, Vision & Hearing Coverage

Prime DVH

Three Services. One Premium.

Save money protecting your teeth, sight, and hearing under a single policy.

Smile bigger. See brighter. Listen better.

Dental

Get regular dental visits with no out-of-pocket costs. Regular checkups can help protect your teeth and your overall health.

Vision

No more squinting! Routine vision exams are covered to help you see what you've been missing and catch potential issues early.

Hearing

Hearing loss can isolate you from friends and family. Hearing aids and routine hearing exams help keep you in the conversation.

Did You Know?

Original Medicare doesn't cover preventive dental, vision, or hearing care. So you have to pay full-price on your own when you visit a dentist, eye doctor, or audiologist. Those costs can add up!

Prime DVH saves you money and costs less than purchasing three separate policies.
