Simplified Issue Convertible Term Life Insurance

10 or 20 Year Term Life Options

Provides an immediate full death benefit and an accelerated benefit for terminal illness. You can receive 50% of the death benefit if you are diagnosed as having a terminal medical condition with a life expectancy of 12 months or less. This benefit is provided through the Terminal Illness Accelerated Benefit Rider and is included at no additional cost. Availability may vary by state.

When an accelerated benefit is paid under the Rider, the death benefit of the Policy is reduced by the amount of the accelerated benefit paid. The accelerated benefit for terminal illness ends when 50% of the death benefit has been paid out under this benefit.

See forms ICC11-CTL-11/CTL-11, ICC11-TIAB-11/TIAB-11 and the disclosure for the Terminal Illness Accelerated Living Benefit, ICC11-TIABD-11/TIABD-11, or their state variations for details.

Optional Riders (require additional premium):

Accidental Death Benefit Rider

- Doubles the Policy's death benefit if the insured's death occurs within 180 days after, and as a direct result of, an injury
- Rider terminates at the end of the initial term period. This Rider is non-renewable. Other terms, conditions, exclusions and limitations apply. Refer to the Policy with attached Rider for details

See form ICC11-CTLAD-11/CTLAD-11, or its state variation.

Waiver of Premium Rider

- If you become totally disabled while covered under this Rider, we will waive the premiums becoming due for the Policy and attached Riders for as long as you continue to qualify for this benefit
- To qualify for a Waiver of Premium, your total disability must start before your 65th birthday and continue for at least 6 months
- "Total disability" means that, during the first 24 months, you are unable to engage in the material and substantial duties of your regular occupation; after 24 months (or if you were not engaged in an occupation when disability began), you are unable to engage in any occupation for which you are suited by reason of education, training or experience (includes being a homemaker or student); or at any time you have lost both hands, both feet, one hand and one foot, or the sight of both eyes
- Coverage under the Rider will terminate on the earliest

of the following dates: 1) The premium paid to date following our receipt of the Owner's written request to terminate the rider; 2) The date of the insured person's death; 3) The date of lapse; 4) The date the Policy terminates; 5) The expiration of the initial term period; or 6) The date the insured person reaches age 65 (or, if the insured is totally disabled at age 65, the Rider terminates on the date the insured has recovered from the total disability). This Rider is non-renewable. Other terms, conditions, exclusions and limitations apply. Refer to the Policy and attached Rider for details

See form ICC12-CWOP-12/CWOP-12, or its state variation.
