Physician Consult Quickly Connect for a Consultation

An estimated 70% of primary care, urgent care and emergency room visits can be avoided using telehealth services, leading to improved patient outcomes and better access to care. Through HealthiestYou, members have 24x7 telephone access to doctors who can diagnose, treat and prescribe. With over 60,000 pharmacies available, member's prescriptions are sent to their pharmacy of choice, as soon as the consultation is over.¹

Members can conveniently connect with a doctor and pay no consult fee, saving time and money on the constantly increasing costs of healthcare.

When to use HealthiestYou:

- For non-emergency medical issues and questions
- During or after normal business hours, nights, weekends and holidays
- If the member lives a significant distance from their primary care physician
- When a primary care physician is not available
- Traveling and need medical care

About Us

Our comprehensive portfolio of products is available from licensed insurance agents in 46 states and the District of Columbia and is available through HealthMarkets Insurance Agency Inc., as well as through other unaffiliated insurance distributors. Policyholders can receive direct cash benefits for expenses caused by unexpected medical issues, sustained illnesses, and end-of-life challenges.

The Chesapeake portfolio includes dental, vision, and other insurance and discount plans that complement an individual's health insurance. These plans help provide an additional layer of protection in the event of accidental injury, catastrophic illness, hospitalization, or cancer.

Administrative offices are located in North Richland Hills, TX. Products are marketed through independent agents/producers.
