¹ Note: If an insured person opts to receive dental services or procedures that are not covered expenses under the Policy, a network provider dentist may charge his or her usual and customary rate for such services or procedures. Prior to providing an insured person dental services or procedures that are not covered expenses, the dentist should provide a treatment plan that includes each anticipated service or procedure to be provided and the estimated cost of each service or procedure. To fully understand the coverage provided under the Policy, you should read your Policy carefully.
