#### **ACCIDENT DIRECT BUNDLE: OTHER IMPORTANT INFORMATION**

#### **Definitions:**

- Accidental Injury means sudden, non-recurrent, traumatic, accidental and unanticipated damage to the body, not of gradual onset requiring immediate medical attention, and not contributed to, directly or indirectly, by a sickness. The accidental injury must first occur after the insured person's coverage has become effective and while the coverage is in force under the Policy.
- Actively at Work means working on a permanent basis at least 25 hours per week for wage or salary; and performing the material and substantial duties of a regular job or any other job for which the insured is qualified by reason of education, training or experience.
- Elimination Period means the consecutive period of time beginning from the date you are considered totally disabled before the monthly benefit is payable.
- Hospital means an institution operated pursuant to its license for the care and treatment of sick and injured persons for which a charge is made that the insured person is legally obligated to pay. The institution must: (1) Maintain on its premises organized facilities for medical, diagnostic and surgical care for sick and injured persons on an inpatient basis; (2) Maintain a staff of one or more duly licensed legally qualified physicians; (3) Provide 24 hour nursing care by or under the supervision of a registered graduate professional nurse (R.N.); and (4) Is accredited as a hospital by the Joint Commission on Accreditation of Hospitals.
- **Total Disability or Totally Disabled** means that due to an injury, you are: 1) under a legally qualified physician's care until you have reached the maximum point of recover; 2) are still considered to be disabled under the terms of the Policy; and 3) not in fact actively at work, as certified by a legally qualified physician upon our request.
