Metal Gap Plan

Cash benefits to help cover expenses ...
left by your health insurance.

Notice to Our Customers About Supplemental Insurance

- The supplemental plan discussed in this document is separate from any health insurance coverage you may have purchased with another insurance company.
- This plan provides optional coverage for an additional premium. It is intended to supplement your health insurance and provide additional protection.
- This plan is not required in order to purchase health insurance with another insurance company.
- This plan should not be used as a substitute for comprehensive health insurance coverage. It is not considered Minimum Essential Coverage under the Affordable Care Act.

Metal Gap Plan

Cash benefits paid directly to you, not your doctor or hospital.

DID YOU KNOW?

43% of those with private insurance said their deductible was either **difficult or impossible to afford**.¹

Cash benefits can be used for:

- Co-pays or co-insurance
- Rent/mortgage
- Car payments
- Child care
- Everyday living expenses

SureBridge insurance products provide an added layer of coverage designed to fill financial gaps left by your health plan coverage. They **help you manage out-of-pocket expenses such as deductibles, coinsurance and co-payments**. This type of coverage is especially important to those who may have health insurance plans with lower premiums but higher out-of-pocket expenses.

The Metal Gap plan comes in three benefit levels that helps **complement the Bronze, Silver and Gold Affordable Care Act (ACA) plans**.

SureBridge Metal Gap At A Glance

- Helps to fill gaps left by Bronze, Silver and Gold level ACA compliant health insurance plans
- Pays a lump-sum cash benefit even if benefits are also paid under Workers' Compensation², up to:
 - \$6,000 for hospital confinement
 - \$3,000 for outpatient surgery
 - \$500 for Emergency Room treatment related to an injury
- Benefits are paid directly to you - not your doctor or hospital
- Available at affordable rates
- Applying is simple and can be completed in minutes

¹ InsuranceNewsNet Magazine, March 2015 issue. Magazine source: The Commonwealth Fund | THIS POLICY PROVIDES LIMITED BENEFITS. This type of plan is not considered "minimum essential coverage" under the Affordable Care Act and therefore a Lump Sum Fixed Indemnity Insurance Policy does not satisfy the individual mandate that you have health insurance coverage. If you do not have other health insurance coverage, you may be subject to a tax penalty. | ² Benefits are not coordinated with Workers' Compensation. Exclusions & Limitations and Policy provisions may apply. For a complete listing of benefits, exclusions and limitations, please refer to your Policy.

Metal Gap Plan

DID YOU KNOW?

~70% of people at least somewhat agree they **regularly underestimate the total cost of an injury or illness**, including medical, household and out-of-pocket expenses.²

An estimated 85%¹ of people who buy health insurance on an exchange receive subsidies, making premiums more affordable - however there are still out-of-pocket expenses that must be paid. A Metal Gap plan from SureBridge helps give you a layer of financial protection by providing **cash benefits**. The money is **paid directly to you**, not the hospital, and can be **used for anything you choose**. It's your money, your decision.
