GetMore offers a preferred pricing plan for LASIK eye surgery through QualSight, a network of more than 700 locations nationwide. The arrangement with QualSight means you can have LASIK vision correction surgery at a significantly reduced rate, with savings of 40% to 50% off the overall national average cost for Traditional LASIK surgery!

The cost of Traditional LASIK is \$935 per eye and for Custom LASIK is \$1,360 per eye, which is the total cost with no hidden extra fees. You also receive:

- A FREE consultation to discuss the procedures available and to conduct a preliminary screening to determine if you are a potential candidate.
- Experienced surgeons who have collectively performed more than 4 million laser correction procedures.
- Pre-operative exam and post-operative appointments with your chosen physician.
- Lifetime Assurance Plans available at extra cost.
- Refundable scheduling fee (even if you decide not to have the surgery).
- Physician-recommended procedure using leading-edge, FDA-approved technology.
- Nationwide access to board-certified ophthalmologists using state-of-the-art, DHA-approved LASIK vision-correction technologies.
- Interest-free financing plans up to 12 months or payments as low as \$53 per month available to qualified candidates.
