Health Advocacy – Save time, money, and worry

Health Advocate, the nation's leading health advocacy company, helps members and their families navigate the health care and health insurance systems. Health Advocate offers a range of comprehensive services to help members with clinical and administrative issues involving their medical, hospital, dental, pharmacy and other healthcare needs--saving member's time, money, and worry.

Simply call the toll-free number, and the member will be assigned to their own Personal Health Advocate (PHA), typically a registered nurse, supported by a team of medical directors and administrative experts, who will assist the member until the issue is resolved. Our team of healthcare professionals is specially trained to handle each case with the utmost confidentiality. We follow careful protocols that comply with all governmental privacy standards to ensure that our members' medical and personal information is fully protected.

Health advocacy helps:

- Find the best doctors, hospitals, dentists, and other leading health care providers anywhere in the country.
- Schedule appointments with providers including hard-to-reach specialists and critical care providers and arrange for specialized treatments and tests.
- Resolve insurance claims and assist with negotiating billing and payment arrangements, and related administrative issues.
- Assist with eldercare and related health care issues facing parents and parents-in-law.
- Obtain unbiased health information to help the member make an informed decision.
- Work with insurance companies to obtain appropriate approvals for needed services to foster communications between physicians and insurance companies.
- Answer questions about test results, treatments, and medications recommended or prescribed by the member's physician.
- Assist in the transfer of medical records, X-rays and lab results.
- Locate and research the newest treatments for a medical condition.
- Assist with finding qualified wellness programs, providers and services.

Independent. Confidential. Convenient. *Health Advocate is not affiliated with any insurance or third party provider. Health Advocate does not replace health insurance coverage, provide medical care or recommend treatment.*

Please note that this service is unlimited and there is no charge when a member calls for assistance.

Medical Bill Saver- Lower your uncovered medical expenses

In today's economy and with changing benefits, employees are increasingly responsible for the balance on uncovered medical bills. These out-of-pocket expenses can strain their budget. It can be overwhelming to receive a large bill for medical or dental care. The Health Advocate Medical Bill Saver service gives members access to skilled negotiators who can help lower their out-of-pocket costs on medical bills not covered by insurance. Member could save hundreds - even thousands - of dollars, and while Health Advocate does not guarantee a specific level of savings, on average, members see discounts of 25%-50%.

Even with the best of intentions, members can incur medical bills simply because they visited an out-of-network provider or received care not covered by their insurance plan. By enlisting the help of the Medical Bill Saver service, members can not only achieve significant savings and lower their out-of-pocket costs, but will have peace of mind knowing that they have an expert negotiator in their corner

- Member gives Health Advocate their medical and dental bills that must be at least \$400 or more
- Health Advocate contacts the provider on the member's behalf to negotiate a discount
- Negotiations can lead to a reduction in the member's out-of-pocket costs
- Once an agreement is made, the provider signs off on the new payment terms and conditions
- Member will receive an easy-to-read, personal Savings Result Statement, summarizing the outcome and payment terms
